

RICHARD McKENNA CHARTER HIGH SCHOOL

High School Math Posting

Richard McKenna Public Charter High School, located in Mountain Home, Idaho, is seeking a full-time High School Math Teacher. The program is a project-based learning for students to deepen their experiences within the subject matter. The school uses Eureka Math as the adopted program.

We are seeking candidates with the following qualifications and interests:

- Hold a valid Idaho Educator license for Math Education
- Willingness to teach fulltime in a virtual environment
- Dedication to providing a safe, respectful, and welcoming learning environment for students.
- Commitment to the success of ALL students and ability to understand and teach to the various learning styles of students.
- Demonstrates knowledge and understanding of the student population being served and how demographic variables impact student achievement, and effectively uses this knowledge to design and delivery instruction.
- The ability to effectively engage students in goal-setting and reflecting on their learning.
- Demonstrates knowledge and expertise in Mathematic content and pedagogy.
- Ability to develop and integrate project-based learning and to target rigorous learning and problem-solving skills.
- Knowledge and/or experience using “backwards design” for lesson development, differentiated instruction to support all students, and formative assessment to provide student feedback and to adjust lesson delivery.
- Maintains high standards of ethical behavior and confidentiality of student information.
- Excellent teaching, organization, planning, written and oral communication, and collaboration skills.
- Effectively integrates transferable skills into the learning environment.
- Commitment to continuous improvement in the areas of content and pedagogical knowledge and professional practice
